Hello Philip & Daniela,

As soon as you are done with your current location, please proceed at this site.
Our Chief Wong will be there to provide more clarity on the situation.

Thanks.

Good Morning,

Care 1 was scheduled to address this location as a priority location. The team was advised to reschedule this location due the ID and the encampment in close proximity of the railroad. I spoke with the team and the SLO officer on the field at the time. They are aware of the situation and have been notified there will be a reschedule of the location with the proper team and equipment.
